**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a cable, internet and phone consumer. I've been a couple of providers for at least 40 years. The reason I have changed providers is always due to price hikes. I will get a price reduction for a limited time and soon as it's over every other month the bill will increase by \$10.

Having the option to choose competitive rates are vital. We should not have to always concede to the higher priced big name companies. I feel consumers should have options and big companies should not have a monopoly on any service.
